

Welcome to our Around the World Project!

WELCOME

Third grade is assigned to Europe and our class is focusing on Greece. We will be looking into all aspects of the country, including the geography, culture, food, music and history. We will be doing some exploring in the classroom, and I would like them to do a project at home to display at our 1st annual Around the World Exhibit at Santa Rosa on Thursday, May 13th from 6:00-7:30. Santa Rosa will be having fun activities for all, including an Earth Balloon, the Art Walk and our class will display our findings of Greece here in the classroom. The students will be participating (if possible) to show their work.

Projects can be:

- A poster displaying the map of Greece
- A poster describing the currency, goods and services
- The flag
- A realistic display of Greek life
- Food from Greece, maybe with samples for that night with a poster and display
- Greek people or culture displaying clothing or music
- Greek sports or theater
- Fun travel places in Greece
- History of Greece, possibly using a timeline

**** We would like our classroom to be a representation of Greece. Be creative, please! ****

The ideas are endless... I am **not putting any restrictions on this project, except that you must participate.** Please put together either a report to display, a poster, pictures, or samples to show our guests about our country that night. This is due on Tuesday, May 11th. Check out the class website for helpful website links.

If you have any questions please contact me at mgetschow@musd20.org.

Thank you,

Ms. Getschow
