Repeated Reading

Time yourself reading the passage each night for one minute and keep track of how many correct words per minute you read. Record your reading below.

A long time ago in China, there was a young woman named Mulan. 13
She was upset because her father had been called to fight in a war. 27
Mulan wanted to fight in her father's place. 35

Women were not allowed to be soldiers. So Mulan dressed like a 47
man. She put on armor. She said a sad farewell to her family. Then she 62
rode off with the troops. 67

It was hard work to be a soldier. Mulan missed her mother and her 81
father. But it made Mulan happy to think that her father was safe. 94

Many soldiers died in the war. Mulan fought bravely. After ten 105
years, the Emperor called Mulan to the palace. He wanted to reward 117
Mulan's skill and leadership. Mulan asked the Emperor for a fast camel 129
to take her home. 133

Mulan was happy to be back home. She changed out of her armor 146
and into a dress. When the other soldiers came to see her, they were 160
surprised. They had not known Mulan was a woman. 169

Today people still tell the story of Mulan's love for her family and her 183
bravery in war. 186

My goal is to read at least 110 words per minute with 0-2 errors.
