Repeated Reading

Time yourself reading the passage each night for one minute and keep track of how many correct words per minute you read. Record your reading below.

It was summer in the city of Mousopolis. The mice were gathered 12
for a cookout. The food was on the grill and the mice were happy. The 27
smells from the cookout filled the air. Then the ground began to shake. 40
A strange sniffing sound was heard. A big monster came out of a 53
nearby crater to join the cookout: Dogzilla! 60

The Big Cheese sent his army to stop the monster. They were very 73
brave until Dogzilla breathed on them. Then they all ran away as fast 86
as their little legs could carry them! The beast ate all of the food from 101
their cookout. And then she started doing things that dogs like to do. 114
She chased cars – right off the road! She chewed things – and the 126
stored they were sold in! She had to be stopped. 136

The Big Cheese didn't know what to do. He went to an expert for 150
help. The expert said that they had to scare Dogzilla out of town. So 164
the mice decided to give Dogzilla something that all dogs fear: a bath! 177
They hit the beast with lots of soap and warm water. Dogzilla quickly 190
ran back to her crater in shock! 197

The mice were happy again. When they held their cookout the next 209
summer, they were sure Dogzilla would not return. They were right 220
about the beast, but there was one thing they had not thought of... 233
puppies! 234

My goal is to read at least 110 words per minute with 0-2 errors.
