Repeated Reading

Time yourself reading the passage each night for one minute and keep track of how many correct words per minute you read. Record your reading below.

Yunmi was on her first airplane ride with her grandmother, Halmoni. 11
They were going to visit family in Korea. Halmoni used to live there. 24
Now she lived in New York City with Yunmi and her parents. But 37
Halmoni's pets, friends, and other grandchildren were still in Korea. 47
Halmoni had not seen them for a long time. Yunmi had never met 60
them. 61

Everyone in Korea was glad to see them. Yunmi's cousins took her 73
sightseeing all over the city of Seoul. They had a big picnic. 85

Yunmi saw that Halmoni was happy in Korea. She heard her 96
cousins tell Halmoni that they did not want her to leave. Yunmi stated 109
to worry. What if Halmoni wanted to stay in Korea? What if she did 123
not want to live with Yunmi anymore? 130

Halmoni said that her home was in New York with Yunmi. She told 143
Yunmi to remember that Halmoni's family in Korea was Yunmi's 153
family too. They were lucky because they both had two families! 164
Yunmi knew Halmoni was right. So Yunmi decided she would ask her 176
cousin to visit them in New York. 183

My goal is to read at least 110 words per minute with 0-2 errors.
